Write the text of your abstract here. Please, use it as a template for your own input and follow carefully the instructions in this document.

You should indicate:

1. the title of your abstract;
2. the list of authors where numbers are used as exponent to distinguish the affiliations (feel free to adapt the number of author to your requirements);
3. the list of the affiliations depending on the numbers used in the list of authors.

Your abstract should stay on one page.

Please, do not modify the headline, the margins and the text sizes.

To indicate the references, please use the style [1] for books and [2] for articles.
